

## Mid Derbyshire Methodist Circuit

Registered Charity No. 1139498

is seeking to engage a

part-time **Lay Mission and Outreach Worker** to work with two churches in the Matlock Mission area, to develop mission opportunities in new housing developments.

This new post offers exciting opportunities to support and develop a number of existing projects and to initiate new ones, working alongside the Presbyterian and the existing Children & Families Worker.

The Mission and Outreach Worker will be expected to be able to share in Christian ministry. They will be an approachable 'people person', have good communication skills, be knowledgeable about social media and the use of technology, have a real understanding of children's and youth ministry, be self-motivated and able to work on their own initiative as well as able to work collaboratively.

Distances between churches and limited public transport means the Mission and Outreach Worker would ideally be a car driver and owner.

There is a genuine occupational requirement for the post holder to be a committed Christian.

Basic salary £9,672 per annum for a 20 hour week including some evening and weekend work, with the possibility of additional points for qualifications and experience.

The post is fixed term for 3 years.
